Rahul Ram

Short Bio

Rahul Ram is a scientist, environmentalist, musician and activist all rolled into one. He studied and studied and studied... BSc Chemistry, MSc Chemistry, PhD Environmental Toxicology.. and the worked as an activist with the Narmada Bachao Andolan, a people's movement struggling against being displaced from their lands by a large hydroelectric project. Since 1991, Rahul has been playing bass guitar and singing for Indian Ocean, a band that helped create an international sound based in Indian folk melodies and rhythms with a strong contemporary feel. For the last 4 years Rahul is also one of the three members of Aisi Taisi Democracy - a group that forces us to look at ourselves and laugh at ourselves in the hope that we improve ourselves in a society and amidst cultures that sometimes make us the worst we can be.
